In addition, here are some further comments from our Crowne Plaza Suites Houston Southwest point of contact, Ms. Joanna Xie:

We are a unique luxury 100% all suites hotel, with state-of-the art modern comforts and several complimentary benefits for our guests. Our Hotel was renovated in 2009. Many of our new guests who walk into our property for the first time are stunned at the beauty and all agree that we are a fantastic value and become loyal to us instantly.

Our hotel has been continuously ranked **Top 1** among all the Crowne Plaza hotels in Houston for the past 10 months. Our large 440 sq. ft. two-room suites have everything today's discerning traveler needs, including Microwave, Refrigerator, two 32" Plasma TVs, in-room safes and luxury linens among many other unique features.

In addition, we are a full service property with an award winning Sierra Grill Restaurant and Lounge and a newly renovated ballroom on our main level that can accommodate up to 250 people.

The rate is the same for either the king-sized suite or double-queen suite rooms. Since we feature two-room suites in the hotel, the occupancy can be 2-4 people for King Size Suite and 4-6 people for Double Queen Suite. There is also a Queen Size sofa/pull-out couch in the living room of each suite, which will easily accommodate two people. There is **NO** additional charge for the above occupancy numbers.

The special **\$99.00**+tax rate is the discounted price for your esteemed organization and we would be most appreciative if you could sign the tentative contract with us for the group block by **Friday, June 29, 2012**.

If you have any budget concerns or further questions about the group block, please contact me directly. I look forward to establishing a long and mutually beneficial relationship, and exceeding your expectations. Thank you very much for your kind consideration of our hotel this time!
